

**REMARKS**

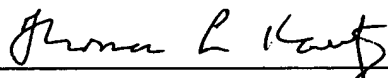

This is responsive to the Office Action mailed November 21, 2005, in which the Examiner issued an election/restriction requirement under 35 U.S.C. §121. The Examiner considers the application to contain two groups of patentably distinct species. He required the applicant to identify one specie for prosecution, and provide a listing of all claims readable on the elected specie.

Applicant elects to proceed in this application with the specie shown in Figs. 1-5. Claims 1-17 read on the Figs. 1-5 specie. Claims 18-23 have been cancelled without prejudice.

Respectfully submitted,

HOLLAND & KNIGHT LLP
